

MSc in Physics, Biophysics Track

List of compulsory courses according to the student's research field

*Additional compulsory courses - select at least 3 courses from the Electives table, per approval of the adviser and of the teaching committee.

Compulsory courses	Electives
Soft Matter Physics 203.2.5121	(*)
Advanced Statistical mechanics 203.2.4171	(*)
	(*)
Seminar	(*)
Biological and soft-matter physics	(*)

- (*) means that the adviser has to choose (if two courses are listed in the cell) or write down (if the cell is empty) the course which should be studied.
- First two courses should be taken during the first year of the studies.
- One elective course should be taken in addition to the list. The elective course should be not in the research field of the student.
- Three seminars should be taken during 4 semesters.
- Summarizing seminar should be given by the student in the 4th semester.
